City of Fond du Lac - Weekly Construction Update

The City of Fond du Lac is providing a weekly update on construction projects located within the corporate boundary. Motorists are advised to use caution and remain alert when driving through any work zone. Drivers are also encouraged to visit the City of Fond du Lac web site at <http://www.fdl.wi.gov> and view a map of the 2012 construction projects which may aid drivers in planning an alternate route.

Johnson Street (STH 23) from Main Street to Park Avenue

Schedule: August 19 to August 25

Description: The project includes reconstruction of the cross walk and adjacent concrete panels on Johnson Street immediately east of Main Street.

August 13 to August 17: The utility contractor will place informational signage east and west of Main Street on Johnson Street. The message boards will indicate that the closure will begin on August 19th.

Traffic Impacts: Beginning August 19th, Johnson Street will be closed to thru traffic for one week, from Main Street to Park Avenue. Access to Johnson Street between Main Street and Park Avenue will be only available by utilizing side streets; Amory Street and Marquette Street. A detour route for STH 23 will be signed utilizing Main Street, Scott Street, Winnebago Drive and USH 151.

Ninth Street from Military Road to Fond du Lac River

Schedule: April 9, 2012 to early August 2012

Description: The project includes reconstruction of the sanitary sewer, water main, storm sewer, street, and lighting.

August 13 to August 17: Ninth Street is complete and will be reopened to traffic.

Morris Street from Ninth Street to Central Avenue

Schedule: April 9, 2012 to early August 2012

Description: The project includes reconstruction of the water main, storm sewer and street.

August 13 to August 17: Morris Street is complete and will be reopened to traffic.

Ellis Street from Ninth Street to Boyd Street

Schedule: May 14, 2012 to early October 2012

Description: The project includes reconstruction of the sanitary sewer, water main, storm sewer, street, and lighting. The street will be widened to the 32-foot City standard.

August 13 to August 17: Landscaping will be completed and the paving sub-contractor will grade the roadway and begin paving.

Traffic Impacts: Ellis Street is closed to through traffic. It is illegal to drive past a "ROAD CLOSED" sign or to move any construction barricades. Residents, business owners, and customers may access properties past "ROAD CLOSED – LOCAL TRAFFIC ONLY" signs. Parking is not permitted on the street during working hours.

Liberty Street from Ninth Street to Eleventh Street

Schedule: Early June 2012 to early October 2012

Description: The project includes reconstruction of the sanitary sewer, water main, storm sewer, street, and lighting.

August 13 to August 17: No work this week due to construction on 11th Street preventing construction truck traffic.

Traffic Impacts: Liberty Street is closed to through traffic. It is illegal to drive past a "ROAD CLOSED" sign or to move any construction barricades. Residents, business owners, and customers may access properties past "ROAD CLOSED – LOCAL TRAFFIC ONLY" signs. Parking is not permitted on the street during working hours. Ninth Street at Liberty Street is closed to through traffic also. Residents should access Liberty Street from Eleventh Street.

Eleventh Street from Ann Street to Cedar Street

Schedule: Early June 2012 to early October 2012

Description: The project includes reconstruction of the sanitary sewer, water main, storm sewer, street, and lighting.

August 13 to August 17: The utility contractor will continue work on storm sewer and utility lateral construction.

Traffic Impacts: Eleventh Street is closed to through traffic. It is illegal to drive past a "ROAD CLOSED" sign or to move any construction barricades. Residents, business owners, and customers may access properties past "ROAD CLOSED – LOCAL TRAFFIC ONLY" signs. Parking is not permitted on the street during working hours.
